

COS JAM

College of Science Joint Annual Meeting

Friday, May 2

Jordan Hall of Science

The eighth annual College of Science Joint Annual Meeting (COS-JAM) will take place on Friday, May 2 as part of the seventh annual Undergraduate Scholars Conference. The intent of COS-JAM is to highlight the achievements of undergraduate students conducting scientific research.

Contact Dominic Chaloner, undergraduate research coordinator, for more information at dchalone@nd.edu.

Deadline for submitting abstracts: **Friday, March 21**
