## **Andy Hiles, F.S.A., M.A.A.A.**

President, Aetna Integrated Informatics  
Aetna

*Andy leads the Plan Sponsor Insights team - a nationwide group of medical economists, physicians, nurses and wellness experts focused on understanding worker health dynamics and providing plan sponsors with solutions that enable workers to achieve their best health and plan sponsors to reach talent, financial and social goals. He is also responsible for the development of Aetna's approach to achieving health equity for low wage workers.*

*Prior Aetna Roles: Leading National Accounts Underwriting, Actuarial and Strategy*

*Other Roles: McKinsey & Company - Senior Expert U.S. Employee Benefits  
Willis Towers Watson - Southeast Healthcare Practice Leader  
Aon - Healthcare Large Market Segment Leader*

*Andy has published numerous articles on employer-sponsored health care and is a leading voice in the development of innovative programs to achieve health equity for low wage workers. He is a frequent speaker on these topics. In the spring of 2019 Andy was a featured speaker at the Aetna Customer Co-Op, including nearly 100 of Aetna's largest customers. In 2018 he was a featured speaker at the Health Institute (a CEO forum for America's 35 largest nonprofit hospitals) and at the Institute for Diversity and Health Equity's National Leadership and Education Conference.*

*Earlier in his career he led a closed-door employee benefits education and strategy session with all twelve Federal Reserve Bank Presidents, and he was asked by the Governor of Georgia to lead the health care portion of the Task Force on Recruitment, Retention and Retirement in State Government. In this capacity Andy worked directly with the Governor and his team culminating in a presentation to the CEO's of the top companies in Georgia include The Home Depot, The Coca-Cola Company, Delta Airlines, UPS and numerous others.*
