

# Notre Dame National Robotics Week 2013

You're Invited to the  
**Notre Dame**  
**2nd Annual National Robotics Week Event**

**Sunday, April 14, 2013**  
**10:00 a.m. – 3:00 p.m.**

Stepan Center/Notre Dame

**Help us celebrate National Robotics Week! Meet an R2D2 robot that can tell jokes and another that can read your emotions. Play with robots that fly all by themselves and ones that can dance. Interact with a robotic Angry Birds game, experience an invisible musical instrument, and have your heart rate read by a webcam.**
